

UNIVERSIDAD DE GRANADA

Facultad de Medicina

Durante el curso 2017-18 se han recibido las delegaciones de profesores procedentes de universidades extranjeras que a continuación se relacionan. Entre ellas destacar la visita de los representantes de la Universidad Católica de Santiago de Guayaquil (Ecuador); y la visita de delegación de la University of Tuzla (Bosnia). En todos los casos el Equipo de la Facultad de Medicina, en particular la Vicedecana de Movilidad y Relaciones Internacionales, ha coordinado actividades diversas para la atención de los visitantes, mostrar el funcionamiento de la Facultad de Medicina en las áreas de interés para los visitantes, y establecer las bases para futuras colaboraciones, movilidad entre ambas universidades y cooperación en la formación de estudiantes, tanto de grado como de postgrado.
