Other useful comments:

<p>- At least a B1 Spanish level is highly recommended.</p> <p>- We kindly ask to all our partners to respect the bilateral agreement signed regarding not only the number of students exchanged but also the length of stay. We can not accept students for less than one whole academic year.</p> <p>- The subjects have a theoretical and a practical part. To do only the practical part will not be possible.</p> <p>- Students who are required by their University a certificate of attendance to the clinical practice, must know that it will be done at the end of the stay and only if it has been previously required by the Erasmus/Departmental Coordinator directly to our Mobility Office (medori@ugr.es).</p>
