Dear partners,

We would like to call your attention to the following points and to ask you to forward this important information to all your students selected to come to the Faculty of Medicine at the University of Granada and to the Coordinator /staff involved in this process:

1. Please find two attachments with relevant information necessary for the preparation of the Learning Agreement for the 2015-2016 academic year at the Faculty of Medicine (University of Granada):

a/ An [Info Sheet](#) with **relevant information** concerning the online **application**, the **deadlines** at the University of Granada, the **procedure for Medical Students**, and other important information.

b/ A [Guide for the Preparation of the Learning Agreement](#) (Guía para la Preparación del Acuerdo Académico) which is essential to draw up a valid Learning Agreement.

We highly recommend you and your students to **pay attention at the *Guide for the Preparation*** of the Learning Agreement we are sending you, in order to avoid (or at least to reduce) the changes to the Learning Agreement once the student arrives at Granada. For academic and organizational reasons, to do changes at that moment is not recommended.

2. The deadlines for the online application are from 01/05/2015 until 15/06/2015.

You can send your **nominations** to our Office (email: medori@ugr.es / fax: +34 958 246126).

3. Concerning the Learning Agreement, your students have to follow the steps explained on this link: "[Pasos a seguir](#)"

4. We kindly remind you that the subjects have a theoretical and a practical part. **To do only the practical part will not be possible**. Students have to select the **whole subject** on their Learning Agreement. They also have to take part of the exam of the whole subject. **To do only some parts of the subjects is not possible**.

Given that the subjects include theory and practice (see [guía docente 15-16](#)), **a clinical practice certificate will not be delivered**.

5. For academic and organizational reasons, we only accept students for the length of stay agreed on the Bilateral Agreement, which means for the **WHOLE ACADEMIC YEAR**. Unfortunately **we cannot accept students for only one semester**. Therefore, we kindly ask all our partner Universities not to select students for only one semester. We also kindly ask you not to nominate students for the whole academic year if they are expecting or thinking, in fact, to stay for only one semester.

All the information concerning the Erasmus exchange is available at our website:

Thank you in advance for your co-operation.

If you need any further information, please do not hesitate to contact us.

Best regards,
