#### **Other useful comments:**

- At least, a **B1 Spanish level is highly recommended**. No certification is required for 2024/2025 mobility students.
- We kindly ask our partners to **respect the bilateral agreement** signed between our institutions, regarding not only the number of students exchanged but also the **length of the stay**.
- **All our subjects consist of both, a theoretical and a practical part. To take only the practical part of one subject will not be possible.**
- **Students have to select the whole subject** on their Learning Agreement. They also will have to do the exam of the whole subject. **It will not be possible to evaluate just some part(s) of the subject, except in the case of “Patología del Aparato Urinario y Enfermedades Infecciosas”.**
- **Clinical practice certificates, or any other kind of certification apart from the transcript of records, will not be delivered.**
